

A Message from Mrs. Nabors

Hillsdale Middle School

7th and 8th Grade Mathematics

(Week #9)

Thursday, October 11, 2024

Math Enrichment Opportunities:

<http://nrich.maths.org/weekly>

IMPORTANT

TRIMESTER 1 GRADES CLOSE: Trimester 1 Ends on October 29th!!! This will be the last day for students to make up and turn in missing assignments. Please make sure your student completes all assignments **in their entirety**, so credit is issued, and the assignment title, student's full name and class period are clearly written at the top. **PLEASE REMEMBER, THE TRIMESTER 1 REPORT CARDS ARE REFLECTED ON YOUR STUDENT'S PERMANENT SCHOOL RECORDS.**

TRIMESTER 2 BEGINS NOVEMBER 4TH: Trimester 2 begins on Monday, November 4th. This means that all students have a fresh start on their academic, citizenship, and effort grades. It is the student's responsibility to keep up with daily assignments, whether at school or absent. **Please remember, zeros are very detrimental to overall grades and academic success.**

Week #9 = 9 I-Ready Assignments Completed and Passed by yesterday at 8:59 pm!

I-READY: I-Ready is a district-purchased an online program for mathematics that will help personalize your student's learning and monitor progress throughout the school year. I-Ready consists of two parts: Diagnostic and Personalized Instruction that provides data to increase your student's learning gains.

This year, your student is required to take 3 diagnostic assessments and complete 1 math lesson per week. Every four weeks the I-Ready will be graded and students will earn a score reflective of the number of lessons they have completed to date. **Students who have completed 4/4 by week 4, 8/8 by week 8, 12/12 by week 12, and so on, will be able to participate in P.A.T. (Preferred Activity Time).** Students who have not completed the required lessons will work on I-Ready during that time.

I-READY LESSONS ARE DUE ON THE DAY BEFORE P.A.T. BY 8:59 PM. ANYTHING SUBMITTED AFTER 8:59 PM WILL NOT COUNT FOR THAT PARTICULAR WEEK.

PTA: Our amazing Parent Teacher's Association (PTA) is a non-profit organization that helps our Hillsdale students succeed and grow into healthy, well-rounded individuals. Our PTA communicates with teachers, administrators and parents, and provides important information. They also help raise funds through all the fun events we have at school. At Hillsdale, our PTA helps teachers in the classroom by providing funds for extra supplies for science labs, art projects, and curriculum supplemental activities. Please consider joining our amazing PTA by clicking on the QR Code at the end of this letter. By joining, **YOU ARE NOT OBLIGATED TO ATTEND ANY MEETINGS!**

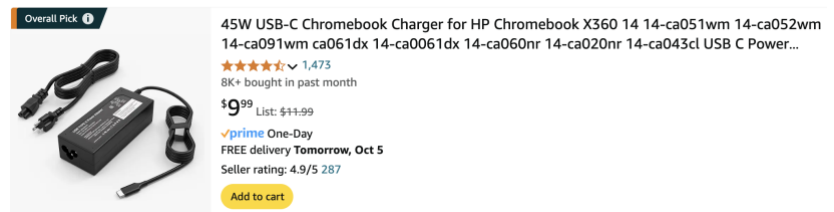

FREE ONLINE TUTORING:

Need help? Click [here](#) for free online tutoring when the math homework gets difficult.

DOES YOUR STUDENT STILL HAVE HIS/HER CHROMEBOOK CHARGER???

It is required for every student to bring their charged chromebook and a charger to school every day. If your student needs to use their chromebook in every class throughout the school day, it has no to little charge by 5th and 6th period and your student is not able to complete the class requirements for that day and may fall behind. Please help your student and us teachers by making sure your student charges his/her chromebook every night as well as bring their charger to school.

I just found this on Amazon!!! If your student lost their charger, you can purchase a replacement. Be sure to put a name on the new one in case it is left in a classroom by accident.

INFRACTIONS: An Infraction Log is kept daily for violations of basic school and classroom rules, which include but are not limited to the following: Gum, Tardy, Cell Phone ON, Inappropriate Use of Technology, Disruption, Not bringing necessary school supplies (charged chromebook and charger), Profanity, Dress Code, etc. **EVERY 3 INFRACTIONS RESULT IN ONE LOWERED CITIZENSHIP GRADE.**

TIMES TESTS: Every four weeks, all students will be taking a multiplication facts quiz (100 facts, 0's through 12's in 6 minutes). We have been working on this periodically in class, however you could also help your student at home to prepare for this quiz.

- 1) Make multiplication flash cards and quiz your student.
- 2) Print each of the four different Times Test forms from my [website](#) and practice, practice, practice!
- 3) Log onto Hoodamath.com and have your student practice the multiplication timed test online.
- 4) Play Multiplication War with a deck of cards (remove the Kings, Queens = 12, Jacks = 11, and Aces = 1).

GRADES: I update grades every FRIDAY and post them in my gradebook program iGrade Plus to be emailed to you on Fridays. If you and your student check his/her math grade before Friday, there may be blank entries. This means I have yet to enter the grades for that assignment, so please check back on Friday. Assignments turned in on Friday will NOT be reflected on the emailed report until the following week.

If you do not receive an emailed grade report today, please email me a working email for you so I can update my records. Be sure to include your student's first and last name in the subject line of your email.

MY WEBSITE: <https://www.cajonvalley.net/Domain/518> If you have a moment, please visit my website for information about me, the math curriculum, forms, tools, resources, and other things you may find helpful.

EMAIL: If you have any questions or concerns regarding your student and math class, please do not hesitate to reach out to me. It is best NOT to reply to this email. Please start a new thread and **PLEASE REMEMBER TO INCLUDE YOUR STUDENT'S FIRST AND LAST NAME IN THE SUBJECT LINE SO I KNOW WHO YOUR STUDENT IS.**

NEXT WEEK'S HOMEWORK: You can find next week's math homework assignments at <https://www.cajonvalley.net/Page/11701>. Make sure you click on the correct week and are looking in you student's course column for the assignments. *Please note, that although my lesson plans on my website are accurate, some changes may occur without notice.

UP-COMING EVENTS/DATES:

Today	Common Core - Module 3 Quiz Honors - Unit 1 Exam
October 14 th	Honors - Unit 1 Interactive Notebook due for 100 points Accelerated - Module 14 Quiz
October 16 th	Common Core - Unit 1 Exam
October 17 th	Common Core - Unit 1 Interactive Notebook due for 100 points
October 22 nd	Accelerated - Module 22 Quiz
October 23 rd	Honors - Module 4 Quiz
October 25 th	Accelerated - Unit 7 Exam
October 28 th	ALL - Begin Trimester 1 Math Art Project
October 29 th	ALL - Trimester 1 Final Exam Grades close for Trimester 1 - Last day to turn in all late work!!
October 30 th	ALL - Trimester 1 Math Art Project Due! ALL - 12 IReady lessons completed and passed by 8:59 pm
October 31 st	ALL - Times Test (6 minutes), Integers Test #2, and P.A.T.
November 1 st	ALL - NO SCHOOL!!!
November 4 th	Trimester 2 Begins! New Seats!!

Please email me at nabors@cajonvalley.net with any questions or concerns you may have regarding your student and math.

Sincerely,
Mrs. Nabors

JOIN HILLSDALE PTA!!

Help us to make a positive impact on the Hillsdale Community by donating! These funds go directly to the programs and events that PTA sponsors.

CHOOSE YOUR LEVEL OF SUPPORT:

TOP DOG \$ 200
PACK LEADER \$ 100
HUSKY FRIEND \$ 50
GENERAL MEMBERSHIP \$15

Any Level above General Membership will be entered into a drawing for prizes! You could win a 2024 Yearbook, PE Clothes, or some swag!
