PURCHASING DEPARTMENT MEMORANDUM

DATE: June 7, 2024

TO: Principals, School Administrative Assistants, Office Assistants

FROM: Kellie Lauhon-Pilchen, Administrative Assistant I, Purchasing

SUBJECT: Subscription pricing for the 2024-2025 school year

Attached is a list of current pricing for magazines and periodicals purchased by schools and departments in previous years. All titles are grouped according to the source.

Timeline to Order:

Subscriptions require approximately an **8-week lead time** once the vendor receives the purchase order. A separate requisition must be used for each vendor and **MUST be submitted in the 2024/2025 iVisions year.** Use a separate line item for each magazine title and staff member requesting the subscription.

i.e. Mrs. Smith is ordering 10 copies for *Highlights*, and Mr. Rogers is ordering 5 copies of *Time for Kids*, you would create one requisition for two line items, *Highlights* and *Time for Kids*, because they can both be ordered through Rivistas.

If you wish to order a publication that does not appear on the attached list, submit a separate requisition and include source information if known.

If you have any questions, please feel free to call our Assistant Buyer, Paige Hokenson, at ext. 4866.

Classroom orders of 10 or more subscriptions include:

A FREE Teacher's Guide with clear lesson plans using Common Core instructional best practices.

FREE instructional online resources for interactive whiteboards, LCD projectors, and classroom computers for every issue.

*Two issues may be combined as a single double-sized issue. This may reduce the number of mailings, but the total page count for the year will remain the same.

Science Spin can be added to *Scholastic News*, and *Let's Find Out* subscriptions eight times per year for just \$.99 per student. This four-page curriculum supplement can only be ordered as an add-on to a grade appropriate subscription of *Scholastic News* or *Let's Find Out*. They cannot be purchased separately.
