PUBLIC COMMENTS

Information to Attendees:

To run our meetings as efficiently as possible, the Personnel Commission requests that public comments be submitted in advance of the meeting. An opportunity was provided to submit comments via email to the Personnel Director.

As a reminder, Personnel Commission meetings are not interactive meetings; it is a meeting of the Personnel Commission held in the public's view. The public may participate during the "Public Comment" portion of the meeting.

When individuals address the Personnel Commission under Public Comments, due to legal constraints, the Commission cannot and will not take action. The Commission is required to take action only on items that have been publicized on the agenda in advance of the meeting.

The public may speak to any item on the agenda at the time the item is considered by the Commission. Topics not on the agenda, which are brought to the Commission's attention, may be investigated by Administration and a report made to the Commissioners, either publicly or privately.

If you have questions about the Personnel Commission meeting process, please contact Michelle Hayes by email at hayesm@cajonvalley.net
