

Teacher/Staff Order Request Instructions for eProcurement

The EqualLevel Online Marketplace will be your first resource for obtaining any needed materials that aren't available in the district warehouse.

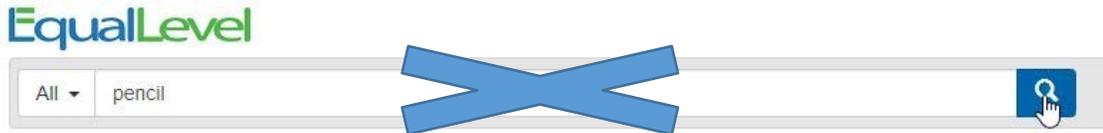

Go to the CVUSD Website to access the Staff Intranet

Click on the EqualLevel icon in HelloID:

Our Marketplace has been upgraded to include Guided Buying tiles! The new tiles will make it easier for you to find the correct suppliers to use for each category of items. Using these preferred suppliers will ensure cost savings, legal compliance and help expedite your orders.

There will no longer be a search bar shown at the top of the screen.

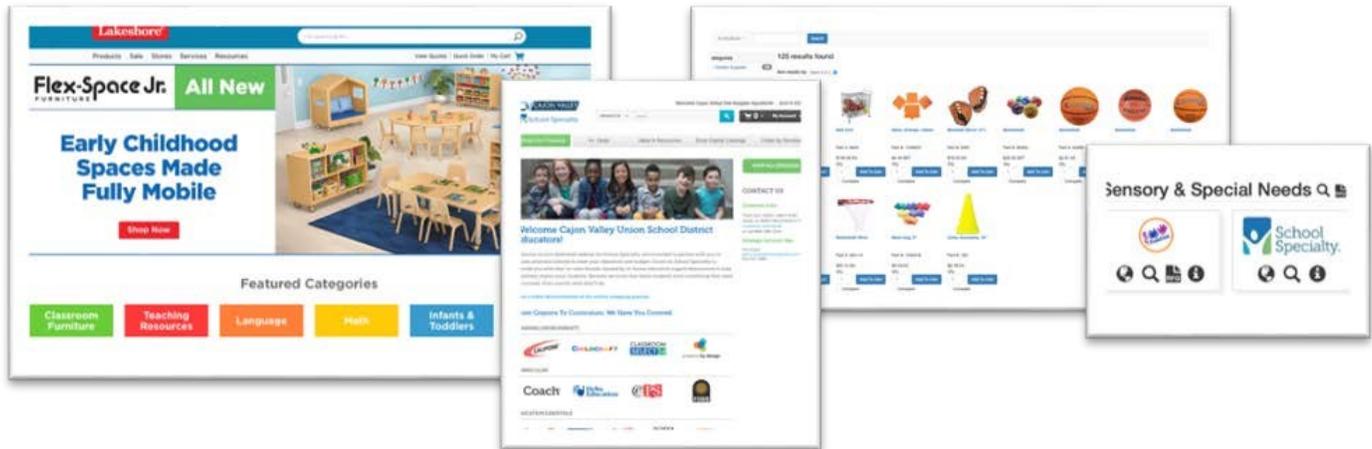

Welcome to the Cajon Valley Union School District Marketplace.

[View All Suppliers](#)

Once you've selected the category tile, you will be provided with the approved supplier's informational homepage, catalog of items or if there are multiple approved suppliers, you will be directed to a page of approved suppliers for the category. From there, you can shop for your items, add them to your cart and check out.

Enter the desired quantity and add the item to your cart.

Pay careful attention to the unit of issue, whether the item is sold as a package, by the dozen, each, etc.

Items from multiple suppliers may be added to the same cart. However, certain suppliers may have minimum order requirements to qualify for free shipping. Refer to shipping information tile to avoid shipping fees.

Add items to your cart on that supplier's site as you would during a typical online shopping experience. At checkout, you will transfer/submit the cart back to EqualLevel and then transfer to your School Administrative Assistant when all shopping is complete.

*****How to easily find items that were previously ordered through the Warehouse stock catalog:**

- For a quick reference list of best value items comparable to those previously stocked in the Warehouse (brands may vary), please visit the 'Classroom/Office Supplies' category to connect to the School Specialty site and click 'My List.'

Now that your cart has been shared with the office staff your School Administrative Assistant will import your list of requested items into a purchasing requisition. It will route through the financial system for budget approvals and be processed by the Purchasing staff. Please ask your School Administrative Assistant to import the shopping cart and have it approved as soon as possible so your order can be expedited.

Note: Most suppliers will honor their pricing until the budget approvals have been obtained and the order is finalized, however, Amazon Business will only hold their pricing for 7 calendar days after you transfer your cart to EqualLevel. The cart must be transferred to and submitted by the office staff ASAP to allow the order to be approved and finalized within this 7 day window.
